SKILLS AND ABILITIES

- Quick adaptation
- Teamwork
- Tolerance to frustration
- Improvisation
- Empathy

STUDIES AND TRAINING

Preparatoria Federal por Cooperación Nicolás Bravo | 2014 - 2017

Computer technician

I studied high school for three years, with a technical career in the area of computer science, where I developed skills using software such as Photoshop, Adobe Flash, Dreamwave, etc.

ESIME Culhuacán | 2017 - 2021

Bachelor of communications and electronics engineering

For four and a half years, I was at the IPN, where I received training in different areas mainly: control, communications, electronics and acoustics. In the last year I took the specialty in acoustics.
